

RELCOMM-DATA CONNECT MERGER ANNOUNCEMENT

We have great news: Data Connect Enterprise, Inc. (www.data-connect.com) and RelComm, Inc. (www.relcomm.com) are pleased to announce that, effective June 30, 2016, RelComm has become Data Connect/RelComm, the RelComm Division of Data Connect Enterprise, Inc., a Maryland based Networking Products Manufacturer and Specialty IT Distributor offering comprehensive communications solutions and services.

With this exciting merger, RelComm is now able to offer even more industrial communication solutions and options than ever before to meet your network connectivity needs. Some of the benefits you can experience from our merger are:

- An extensive portfolio of solutions from a wide range of top tier leading edge manufacturers of wire-line and wireless voice, data and video network access products.
- A broad array of product offerings and on-line access to not only Data Connect and RelComm solutions; but also Adtran, Black Box, CalAmp, Canoga Perkins, Carrier Access, Ctek, Cisco, DCB, Motorola, Multitech, PacketLight, Patton Electronics, RAD, Rhino, Sirerra Wireless, Telebyte, Telenetics, Westell, Zyxel, and many other brands of industrial grade information technology products and solutions.
- Full service pre and post-sales technical support services, pre-configuration services, system staging, testing, and extended warranties.

Barry Patton, President of DCE, stated that *"Data Connect Enterprise has built our reputation on providing state of the art reliable industrial solutions in meeting the network connectivity needs of our clients. The shared expertise between DCE and RelComm in remote data gathering and remote fault management, as well as disaster recovery and secure network connectivity solutions, creates a natural synergy between RelComm and DCE. We are very excited to join forces with RelComm."*

Moving forward under the leadership of an experienced, knowledgeable, committed management team that now includes the seasoned team at Data Connect, will enable us to deliver even greater value for you in 2016 and beyond. We will continue to provide you with the same high level of service and support that you've come to expect from RelComm.

Your RelComm representative can tell you more about this exciting news and how we can help you more extensively now than ever before. Please also feel free to go to Data Connect's website at www.dataconnectus.com and www.data-connect.com and to see the exciting solutions that we are now able to offer.

As always, we look forward to serving you and meeting your ongoing communications needs.

Sincerely

Robert Henkel
